

MANISH SHETTY

SEO Executive | Digital Marketing Specialist

Bengaluru, Karnataka | 8867249974 | manishgshetty25@gmail.com | linkedin.com/in/manish-shetty-4a35581b8

PROFESSIONAL SUMMARY

SEO Executive with hands-on experience in keyword research, on-page and off-page optimization, technical SEO, and content-driven organic growth. Skilled in using Google Search Console, Google Analytics, Ahrefs, SEMrush, and Screaming Frog to audit performance, track keyword rankings, and inform data-driven SEO strategy. Experienced in producing SEO-optimized content assets, including articles and branded presentations for B2B certification training programs. Currently pursuing an MBA to complement technical SEO expertise with broader business and marketing strategy skills.

CORE SKILLS

Keyword Research & Competitor Analysis • On-Page SEO • Off-Page SEO & Link Building • Technical SEO Audits • Content Optimization • Content Marketing • SEO Content Production • Google Search Console • Google Analytics • Ahrefs • SEMrush • Screaming Frog • Organic Traffic Growth • SEO Reporting

PROFESSIONAL EXPERIENCE

SEO Executive — Sterling Next

Bengaluru, Karnataka | July 2025 – Present

- Conducted keyword research and competitor analysis across IT and project management certification course pages, identifying targeted ranking opportunities to guide content and SEO strategy.
- Executed on-page SEO optimization including title tags, meta descriptions, URL structure, and content optimization to improve search relevance and visibility.
- Drove off-page SEO growth through backlink building and link outreach initiatives aimed at strengthening domain authority.
- Authored and optimized blog content aligned with search intent, supporting organic traffic growth for certification training pages.
- Monitored keyword rankings, organic traffic, and site performance using Google Search Console and Google Analytics, translating findings into optimization actions.
- Applied SEO audit tools Ahrefs, SEMrush, and Screaming Frog to identify technical issues and on-page gaps, contributing to measurable improvements in site visibility.
- Produced SEO-aligned content assets, including long-form articles and branded presentation decks, supporting content marketing efforts for PMI-, AXELOS-, and CompTIA-accredited certification programs.
